

SHUICHENG SPRING TEA (水城春茶)

Country of origin: China

Type of product: Tea

Geographical Area: Shuicheng Longchang Township, Shunchang Township, Yangmei Township, Paper Factory Township, Baohua Town, Beaulieu Town, Beide Township, Gouba Township, Nankai Township, Miaoxiang Township, Hongyan Township, spoon rice town, chicken farm town, Jinpen Township, the town of music and Xinjie Township

Specificity of the Product: Shuicheng County is located in western Guizhou Province in the eastern Yunnan Plateau. Shuicheng spring tea is produced in Liupanshui City, Guizhou Province and is a well-known green tea brand. Quality raw tea leaves are used as the raw materials, and then processed with both traditional methods and modern tea technology. This combination results in a more refined product. Shuicheng spring tea is rich in organic selenium and a variety of trace elements needed by the human body. It has a unique flavor, is bright yellow in color, has a mellow taste; the leaves that are used have uniform light quality characteristics. Shuicheng spring tea is preferred by green tea consumers and has high market visibility. According to the Guizhou Institute of Tea, Shuicheng spring tea water extract is 42.8%, tea polyphenol 25.2%, amino acid 2.3%, caffeine 2.8%.
