BAIQI CHIVES (白旗韭黄)

Country of origin: China
Type of product: Chives
Geographical Area: Puding County of Guizhou Province
Specificity of the Product: White flag chives grow well in the area due to the geographical environment and climate conditions. They have special low-crude fiber, are deliciously crisp, and have other distinctive special qualities. Their planting history is relatively long and they are connected to a profound cultural heritage. The southern section of Puding County Baiyan town is the center of the chive production base. Overall, 90% of the market share is sold to Guangzhou, Shenzhen and other places.
