

SANJIANG TEA (三江茶)

Country of origin: China

Category: Special Signs of Geographical Indication Products

Type of product: Tea

Geographical Area: Sanjiang County, Guangxi Zhuang Autonomous Region

Specificity of the Product: Sanjiang tea can be either green or black tea. The green tea is thick and richly lustrous; the leaf is soft, the dry tea is gray, and it has a long lasting fragrance. It can be used to make green bubble tea. The tea has detoxification, anti-radiation, and other health care functions that make it the consumer favorite.

Sanjiang County has a long history of tea. Sanjiang tea was produced in the Tang Dynasty. The artificial cultivation of tea has been going on for more than 2,000 years of history. The region has formed its own unique tea culture.
