

9th oriGIn General Assembly

23 September 2019, Tbilisi (Georgia)

Decisions adopted

The 9th Statutory General Assembly of oriGIn was held in Tbilisi on 23 September 2019, with the participation of some 90 representatives of GI producers' groups and other institutions from 30 countries.

The General Assembly adopted the following decisions:

- Reviewed the activities successfully carried out by oriGIn in the last two years (see the 2018/2019 Activities Report);
- Approved oriGIn finances presented to the General Assembly (2017 and 2018 executions reviewed by Fiprom - an external certification body) as well as the budgets proposed for 2019 and 2020;
- Approved the 2020-2021 Action Plan;
- Accepted the proposals of amendments of the oriGIn Statutes;
- Renewed the organization's bodies and re-elected as President Mr. Claude Vermot-Desroches, President of oriGIn France.
